  - 3. **Social Media Calendar (Content Automation)** .....
  - 4. **Personalized Sales Follow-Up (High-Impact)** .....
  - 5. **Crisis Management Response (Advanced AI Usage)** .....
-

# 1. Product Comparison Review (Affiliate Marketing)

## **Prompt:**

Create a blog post outline for reviewing [Product A] and [Product B]. Include:

- A compelling introduction,
- 3 key benefits of each product,
- A comparison table,
- A call-to-action to purchase.

## **How to Use Effectively:**

1. Choose products that your audience is likely to consider.
  2. Use the comparison table to highlight differences and help readers make an informed decision.
  3. Be honest and transparent about the pros and cons of each product.
  4. Add affiliate links in a non-intrusive way, ensuring readers trust your recommendations.
  5. Include a strong CTA at the end of the post, directing readers to purchase through your links.
-

## 2. Course Structure (Digital Product Creation)

### Prompt:

Design a course structure for a program titled "*Mastering AI for Entrepreneurs.*" Include:

- 8 modules,
- Key objectives for each module,
- Activities and resources for learning.

### How to Use Effectively:

1. Use the structure to plan your course content systematically.
  2. Ensure each module builds upon the previous one for a cohesive learning experience.
  3. Include quizzes, assignments, or projects to enhance engagement.
  4. Use feedback from beta testers to refine the content.
  5. Highlight the benefits of completing the course in your marketing materials.
-

### **3. Social Media Calendar (Content Automation)**

**Prompt:**

Create a 7-day social media calendar for a small business coach. Include:

- Platform-specific content for Instagram, LinkedIn, and Facebook,
- Captions and hashtags for each post.

**How to Use Effectively:**

1. Use the calendar to plan content in advance, ensuring consistency across platforms.
  2. Tailor captions and hashtags to suit each platform's audience.
  3. Schedule posts using tools like Hootsuite or Buffer for efficiency.
  4. Monitor engagement and refine the strategy based on analytics.
  5. Repurpose high-performing posts for future use.
-

## 4. Personalized Sales Follow-Up (High-Impact)

### **Prompt:**

Write a follow-up email for a sales pitch made last week. Include:

- A recap of the key benefits discussed,
- A personalized solution,
- A call-to-action to schedule a follow-up call.

### **How to Use Effectively:**

1. Personalize the email with the recipient's name and specific details about their needs.
  2. Use a professional and friendly tone to keep the conversation open.
  3. Emphasize how your product or service addresses their pain points.
  4. Include a clear and actionable CTA, such as booking a meeting.
  5. Follow up again if you don't hear back within a few days.
-

## 5. Crisis Management Response (Advanced AI Usage)

### Prompt:

Draft a crisis management response for a social media controversy. Include:

- Acknowledgment of the issue,
- Steps being taken to address it,
- A commitment to transparency.

### How to Use Effectively:

1. Use the response to reassure stakeholders and maintain trust.
2. Keep the tone professional and empathetic.
3. Use AI sentiment analysis tools to monitor public reactions.
4. Follow up with updates as the situation evolves.
5. Learn from the incident to prevent future issues.
